DOTNET/C# / MAUI / DOTNET CORE /FLUTTER/ ANGULAR / REACTJS DEVELOPER

CAREER SUMMARY

As a versatile developer with 5 years of experience in .NET technologies, C#, MAUI, and modern frontend frameworks like Angular, ReactJS and Next.JS, I specialize in delivering high-quality web, desktop and mobile applications. My expertise includes developing scalable solutions and optimizing user experiences. I have successfully led multiple personal projects, showcasing my ability to innovate and adapt to new challenges. I am dedicated to leveraging technology to create impactful applications that meet user needs.

PROFESSIONAL EXPERIENCE

Frontend Developer | Fless, Lagos, Nigeria | Feb 2023 - Dec 2023

- Implemented dynamic user interfaces using Angular and React.JS, improving application responsiveness and user satisfaction.
- Optimized frontend performance through effective state management and lazy loading techniques, resulting in a 30% decrease in load times.
- Collaborated with backend developers to ensure seamless integration and data flow, enhancing overall application functionality.
- Engaged in user testing and feedback sessions to iteratively improve application features and interface design.

Software Developer | BrainStacck Tech Ltd, Lagos, Nigeria | May 2022 - June. 2023

- Developed and maintained scalable web applications using Next.JS and React.JS, improving application efficiency and user satisfaction.
- Collaborated with cross-functional teams to gather requirements and design solutions that align with business goals.
- Implemented unit and integration testing to ensure code quality and reliability, resulting in a 25% reduction in production bugs.
- Contributed to the design and development of RESTful APIs, enhancing data accessibility and integration with third-party services.
- Actively participated in Agile ceremonies, including sprint planning and retrospectives, to continuously improve team performance.

Web Developer | Scholapay, Lagos, Nigeria | May 2022 – Jan 2023

- Developed and maintained high-performance web applications, enhancing user engagement and functionality.
- Collaborated closely with UX/UI designers to implement responsive designs that improve user experience across devices.
- Implemented RESTful APIs for seamless integration with backend services, ensuring robust data handling and security.
- Conducted code reviews and maintained coding standards, leading to a 20% reduction in bugs and improved application performance.
- Participated in Agile development processes, actively contributing to daily stand-ups and sprint planning.

PERSONAL PROJECTS

Multipurpose Screening System

- Designed a state-of-the-art screening platform that consolidated 3 existing assessment tools into a single interface; reduced candidate processing time by 30 hours monthly and increased overall recruitment efficiency by 25%.
- Utilized .NET Core for backend services and Angular for the frontend, ensuring a cohesive and efficient user experience.

Exam Venue Allocation System

- I developed a system for allocation of exam venue for students, having the faculty of science of The Polytechnic Ibadan as a case study
- Made use of Next.js and Firebase for instant and real time updates and monitoring.

STD Diagnostic System

- Created a diagnostic platform for STD testing that enhances accessibility and user engagement through a user-friendly interface and secure data management.
- Employed best practices in application security to protect sensitive user information and ensure compliance with health regulations.

TECHNICAL SKILLS

- **Programming Languages:** C#, JavaScript, TypeScript, Dart, HTML, CSS
- **Frameworks:** DotNet Core, DotNet MAUI, Flutter, Angular, React.JS, Next.Js.
- **Databases:** SQL Server, MongoDB, Firebase, My SQL
- **Tools & Technologies:** Git, Visual Studio, Node, RESTful APIs, Agile Methodologies, Azure DevOps
- **Soft Skills:** Strong problem-solving abilities, effective communication, teamwork, adaptability, and a commitment to continuous learning.
- **Spoken Language Skills:** English Language (Fluent), Yoruba (Fluent), French (Learner)
- **Interested in:** Classical Music, Piano, Learning

EDUCATION

- National Diploma in Computer Science | The Polytechnic Ibadan, Oyo State Nigeria | August 2024

CERTIFICATIONS

- **Aspire Leadership Course** | Aspire Institute | (March 2023)
